产品参数

无线接口	IEEE802.11b/g/n	
工作频段	2400-2483.5MHz	
天线	IPEX一代母头	
WIFI传输速率	150-300Mbps (MAX)	
对外接口	LAN口： 2个 (LAN1为 WAN/LAN自适应) SIM卡插槽： 1个	天线接口： 4个 指示灯： 4个 端子供电接口： 1个 复位键： 1个
WIFI数据	802.11n: -66dBm at 300Mbps/HT40 MCS7 :+15.5dBm 802.11b: -86dBm at 11Mbps/CCK: +18 dBm 802.11g: -73dBm at 54Mbps/OFDM: +15.5dBm	
存储内存	存储 8MB 内存 64MB	
外形尺寸	长宽高： 43mm*38mm*15mm	
电源	直流供电： 12V/1A	
功耗(电流)	小于 400mA	

shopping
cart

工作环境	工作温度:-30°C ~ +70°C 储存温度:-40°C ~ +85°C 湿度: 5%~95%,无冷凝
支持频段 (可选配)	GN(国内-默认): FDD-LTE B1/3/5/8 TDD-LTE B38/39/40/41 欧洲: FDD-LTE B1/3/5/7/8/20 TDD-LTE B38/39/40/41 北美(NA): FDD-LTE B2/3/4/5/7/8/12/13/17/25/26/66 TDD-LTE B41 全球: FDD-LTE B1/2/3/4/5/7/8/17/20/28 TDD-LTE B38/39/40/41

Price Description

Strikethrough price

It refers to the counter price, tag price, genuine retail price, manufacturer's guide price or the previously displayed sales price of the product, etc. **It is not the original price** and is for reference only.

Uncrossed price

It refers to the real-time price of goods, which does not change its nature due to differences in expressions. The specific transaction price changes based on the product's participation in activities, or the member's use of coupons, points, etc., and the price on the order settlement page shall prevail.

The fixed price, promotional price, preferential price and other prices marked in the form of pictures or text on the merchant details page (including the main image) may be the price when using coupons, full discounts or specific preferential activities and time periods. For details, please refer to the settlement The price, preferential conditions or activity rules on the page shall prevail.

This description is only valid when price comparison occurs. For details, please refer to "Taobao Price Release Specifications". If the merchant separately explains the underlined price, the merchant's statement shall prevail.

safety warning: Please do not use chat tools other than [Aliwangwang](#) to communicate during transactions, do not receive suspicious files, and do not click on links from [unknown sources](#). Verify the domain name and payment details before making payment. Taobao will not ask you to provide any [bank card](#), [password](#), or [mobile phone verification code](#) because there is a problem with the order! If you encounter suspicious situations, you can report them in the Security Center.
Recommended security software: [UC Browser](#)

Content statement: Taobao is a third-party trading platform and Internet information service provider. The titles, prices, details and other information content of the goods/services displayed on Taobao (including websites, clients, etc.) are released by the store operator
